

Parent & Caregiver Volunteer Agreement

Squamish Minor Hockey Association is a volunteer-based organization and depends on the volunteer assistance of its members to ensure it functions successfully.

Volunteers are essential to maintaining and growing SMHA. To promote and support a culture of volunteerism and community, SMHA runs a Parent & Caregiver Volunteer Deposit Program. Each family is required to complete 20 volunteer hours per season. Those who are unable to do so have the option of paying the volunteer opt-out fee. It is important to note, we prefer to have families complete a volunteer commitment and contribute to the success of our association rather than pay the opt-out fee.

There are various opportunities to volunteer throughout the season including:

- Team Manager
- On-Ice Helper
- Safety Person
- Fundraising Coordinator
- Scorekeeping
- Time Keeping
- Tournament Volunteers
- Board Members

Families are responsible for keeping track of their volunteer hours and submitting them to a Team Manager at the end of the season.

A volunteer opt-out \$250 fee will be applied at the end of the season for those that do not complete 20 volunteer hours and/or do not submit their volunteer hours by March 15 of each season.
